G-20 is a great opportunity for India: Amitabh Kant

G-20 Sherpa Amitabh Kant has said that the economic reforms initiated by the Centre are in place ahead of the G-20 summit scheduled in September in New Delhi. New Delhi: Economic reforms initiated by the Centre are in place, said *Amitabh Kant*, the G-20 Sherpa, and it is now an opportunity for a dozen states or so to become "champions" and ensure that high growth rates can continue.

Speaking at a function here today, he said, "The stars are aligned in favour of *India* (the G-20 leader this year)." He added that it is a great opportunity to look at sunrise areas like the manufacturing of mobile phones and the development of green hydrogen. These dozen-odd states (presumably the ones lagging behind and need to grow at 10 per cent or more for a long period of time) should become business-friendly, he said. That, he said, will help to make the next decade India's decade.

With the G-20 summit scheduled in September in New Delhi, there is a good opportunity for India, which had an advantage in terms of demographics, digitalisation, decarbonisation and deglobalisation to be a major power, in terms of both hard and soft power. It wasn't just about industrial growth, but also about cultural diversity, tourism and travel and popularising local handicrafts. India had to interact with the other G-20 countries and also, become a voice of the global South.

In this era of international political crises, war, recession, post-Covid economic difficulty and *climate change*, G-20, which delivered during the 2008 economic crisis, like ensuring inclusive sustainable growth, fighting climate change by helping developing countries that were not responsible for *global warming* to industrialise using green technology, go ahead with digitalisation and so on. It was incumbent upon the G-20 to end malnutrition and ensure an easier time for pregnant women and stunted children and perhaps, women-led development was the way out.

Mann said that he was elected by the people of Punjab, "unlike Charanjit Singh Channi who was appointed by Rahul Gandhi".

Taking strong exception over comments of Rahul Gandhi during his visit to the state, Punjab CM Bhagwant Mann quipped that the "pot is calling kettle black" by issuing such baseless statements.

He said that unlike Charanjit Singh Channi, "who was made Chief Minister by Rahul Gandhi", he has been chosen by people to serve them.

The Punjab CM further said that little knowledge is always dangerous and that is what Rahul Gandhi is proving by issuing baseless statements in the state.

Bhagwant Mann said that the Congress leader has forgotten that "hands of his family are drenched with murder of democracy in country and people will never forgive them for this sin".

New Delhi: Continuing its tirade against the *Ganga Vilas*, the world's longest river cruise, the *Congress* has said that no one other than the “filthy rich” can afford the Rs 50,000 ride.

Prime Minister Narendra Modi flagged off *MV Ganga Vilas* in Varanasi on January 13 via video conferencing. The luxury cruise that began its journey from Varanasi will travel around 3,200 km in 51 days to reach Dibrugarh in Assam via Bangladesh, traversing across 27 river systems in the two countries.

Taking to Twitter, Congress leader *Jairam Ramesh* said that the service would also endanger India's national aquatic mammal.

Ganga Vilas stuck in Bihar? Govt says 'no'

On Monday, some media reports claimed that the luxury ship got stuck in Bihar's Chhapra due to shallow water in the Ganga and that the tourists had to take boats to reach safety.

The Centre, however, rejected the reports and said that MV Ganga Vilas reached Patna and the vessel will continue its onward journey as per schedule.

"There is absolutely no truth in the news that the vessel is stuck at Chhapra. The anchoring place and mode of transport of tourists to the bank is decided by the cruise operator depending on safety and privacy of its passengers," the Ministry of Ports, Shipping and Waterways said.

Inland Waterways Authority of India (IWAI) chairman Sanjay Bandopadhyaya also dismissed news reports that claimed the vessel was stuck in Chhapra.

IWAI said in a tweet quoting Bandopadhyaya clarified: "The Ganga Villas reached Patna as per schedule. There is absolutely no truth in the news that the vessel is stuck in Chhapra. The vessel will continue its onwards journey as per schedule."

Will JP Nadda's tenure be extended as BJP chief? Nirmala Sitharaman spills...

New Delhi: Amid speculations about the extension of the tenure of *Bharatiya Janata Party* national president *JP Nadda*, Union Minister *Nirmala Sitharaman* on Monday said that no discussions took place in this regard on the first day of the National Executive meeting of the party.

It was speculated ahead of the meeting that Nadda, whose three-year term as the party chief (after he succeeded Amit Shah) is scheduled to conclude on January 20 this year, would get another term as the party president in view of the Lok Sabha elections 2024.

Addressing a press conference at NDMC Convention Centre, New Delhi, Sitharaman said that various topics were discussed during the meeting today which included the discussion on the Opposition's derogatory remarks on Prime Minister *Narendra Modi*, G20, and Assembly elections.

"Today a briefing has been held on how the activities of the 4 states are progressing which include Tripura, Nagaland, Meghalaya, and Karnataka," she said.

When asked if the extension of Nadda's tenure was discussed during the meeting, the Minister said, "No discussion was held on that. Today the political proposal has been discussed."

"There have been detailed discussions over 9 points introduced in the resolution for this year's NEC. The first discussion was on how opposition parties are using abusive language for attacking PM Modi ji," Sitharaman said.

'Opposition abusing PM Modi'

Accusing the Opposition of continuously running negative campaigns against the *BJP* and PM Modi, the Minister said that the Supreme Court "crushed" their campaigns and "exposed them".

"Opposition continuously ran negative campaigns against BJP and used abusive language to attack PM on many issues like Pegasus, Rafael deal, Enforcement Directorate money laundering, Central Vista, Economic basis-reservations, Demonetization. All these cases were fought in court and judgement has been in favour of the central govt. SC crushed Opposition's negative campaigns and exposed them through legal responses," she said.

The Minister lauded PM Modi's leadership for boosting India's image on the global stage and said that the national executive thanked the Prime Minister.

"India's image on the global stage is at an all-time high, be it G20, SCO, or UN Security Council leadership, and how PM's image continued to dominate the world's agenda was also discussed. The national executive also thanked PM Modi ji over the global acceptance of the G20 mantra under India's presidency of One Earth, One Family & One Future. Apart from this council also thanked the PM for his initiative in UN reforms," she said.

BJP discussed poll mandate

Sitharaman said that discussions were also held on the Gujarat and Himachal Pradesh elections which the party won and lost respectively towards the end of last year and said that the party changed the "anti-incumbency to pro-incumbency" in the Western state while the margin of victory and defeat remained less than 1 per cent in the hill state.

"In Gujarat, we have registered victory by changing anti-incumbency to pro-incumbency. This is not an ordinary but a historic victory. The impact of Gujarat's victory will definitely be seen in the upcoming elections as well including the 2024 Lok Sabha elections. In Himachal, we found it difficult to change the custom, but the difference between victory and defeat was less than 1 per cent. This was also discussed," she said.

"It was also mentioned in Nadda ji's speech in the morning that we have to win every upcoming assembly election. BJP workers have to take a resolution," the Minister added.

Among other issues which were discussed include Kashi Tamil Sangaman conducted in Varanasi last year and the Har Ghar Tiranga campaign in the run-up to Independence Day in 2022, and PM Modi's 'Mann Ki Baat'.

in every house. Many MSME sectors participating in it were recognized for their cooperation to make the flag. Many industries related to textiles also came forward in the national executive. Declaring Veer Bal Diwas is a great service done by the Prime Minister for the Sikh community," she said.

Meanwhile, with the BJP holding its National Executive meeting in the national capital, party chiefs of four poll-bound states presented the ground report before the top leadership on Monday.

"Today the party chiefs of the four poll-bound states -- Karnataka, Tripura, Nagaland and Meghalaya -- kept their state reports in the meeting and discussed them. The discussion of five other poll-bound states -- Rajasthan, Chhattisgarh, Madhya Pradesh, Telangana and Mizoram will be discussed tomorrow," a source said.
