

Abhishek Lahiri is Vice President and Head of Government Affairs and Public Policy for South Asia at Mastercard. A prominent public and technology policy leader with nearly two decades of experience, his expertise spans fintech, payments, e-commerce, cloud computing, artificial intelligence, gaming, and emerging technologies across South Asia, Africa, the Middle East, and the South Pacific. Prior to joining Mastercard, he headed public policy functions at Google Pay and Amazon Pay, where he actively drove regulatory dialogues, industry forums, and government engagement to shape the fintech and digital payments landscape. Throughout his career, Abhishek has spearheaded strategic policy and advocacy initiatives focused on financial inclusion, small business empowerment, MSMEs, and women-led entrepreneurship. Notably, he led NABARD's landmark 'Bank Sakhi' pilot project, which formulated key national guidelines for Self-Help Group (SHG) banking, served on MeitY's DigiDhan Mission, and spent his early career as a senior management and public sector advisory consultant across leading Big 4 firms.
