

Saurabh Singh

Vice President, Policy & External Affairs

UNITEDHEALTH GROUP

Saurabh is Vice President and Country Leader for Public Policy and External Affairs for Optum India, one of the largest GCCs (Global Capability Center) in India. Optum is part of the United Health Group, a global Fortune 5 company and the largest healthcare company in the world.

Saurabh is a public policy leader with over two decades of extensive digital public policy experience, driving public affairs and government strategy at leading technology companies. Prior to Optum, he led digital and cloud policy for AWS (Amazon Web Services) in South Asia with a focus on AI, trade, taxation, telecom and IT policies.

Saurabh has earlier steered public affairs functions for Nokia, Cisco and Hewlett-Packard, championing industry voice in critical policy advocacy areas and building effective government engagement strategies.

He is an ex-entrepreneur, co-founding a cloud startup in the education sector incubated at IIM-Ahmedabad. Saurabh is an engineer by training, having a BTech in IT with a master's in business administration. He is married and has a young daughter.
