## Amitabh Kant

### India needs a paradigm shift towards technology and innovation

Mr. Kant also said that India has dismantled around 1500 rules & regulations to promote the ease-of-doing-business states need to follow the same. "States like Uttar Pradesh, Maharashtra and Gujarat have grown at a rapid rate becoming the key drivers of the Indian economy due their ease of doing business policies," he added.

The real growth in India can only happen through urbanization which is a must for quantum economic jump and country, Mr. Amitabh Kant, CEO, NITI Aayog said today during an interactive session around a range of public Affairs & paradigm shift (PAFI) is. Government's role should be in public policy in areas like health, education and nutrition, and the public wealth through the private sector. We should push for more and more private public partnerships to get the kind for," added Mr. Kant.
