

Session 11 - Young Leaders – Raring to Go

Friday, September 23, 2022

1050 - 1135 Hrs

Panel

Agam Khare
CEO & Founder
Absolute Foods

Agam is the Founder and CEO at Absolute®, one of the world's leading plant bioscience companies leveraging the best of nature, science and exponential technologies to build a better future- For People, For Planet.

Prior, he worked closely with the 11th President of India & World-Renowned Scientist- Late Dr. APJ Abdul Kalam towards his Vision 2020 project – leveraging emerging technologies to build India into a developed nation.

Previously, he ran a leading Indian company in Industrial Robotics, AI, Factory Automation & Intelligent grid systems space. He has worked across Biotech, Agriculture, Auto, Oil & Gas, Pharma & Food & Beverage.

Agam is passionate about innovations emerging in biotech, brain machine interface, space tech & global commerce. He firmly believes that next generation of frontier tech companies will emerge by intersecting the best in Artificial Intelligence & Nature Intelligence. He also advises several start-ups and universities across Asia, Europe & US.
