# Women should enable themselves with technology in their hands: Irani

Updated: Sep 22 2022 10:22PM

New Delhi, Sep 22 (PTI) Women should not wait for others' support but they should enable themselves with the technology in their hands, Union minister Smriti Irani said.

The minister of women and child development stressed on the need for women to become more self-aware.

She was speaking at the Public Affairs Forum of India's annual meet here.
