

Session 2 - Long-Term Strategy - CEO's Perspectives

Thursday, September 22, 2022

1100 - 1200 Hrs

Panel

Sunil Bhaskaran
CEO
Air Asia

Sunil Bhaskaran is the Managing Director & Chief Executive Officer of AirAsia India. He is the Co-Chair, CII National Committee on Civil Aviation and also holds various positions as Director and Distinguished invitees at various committees/prestigious institutions.

Sunil has been a Tata veteran with a career spanning over 35 years with the Tata Group (including as non-executive Chairman/board member of Tata Group companies). He has been the Vice President of Corporate Services at Tata Steel, the Executive in-charge of Tata Steel Global Wires Business, the Principal Executive Officer, Vice President, and Corporate Quality Head at Tata International and Chairman/Board member of various Tata Steel subsidiaries. Sunil has experience in leading and transforming large global businesses with footprints in India, Thailand, China, Singapore & Sri Lanka.

Under Sunil's visionary leadership, AirAsia India has grown to be one of India's benchmark digital airlines focused on innovation, operational excellence, and customer centricity. He provided resilient leadership and spearheaded the recovery of the airline during the Covid pandemic.
