

## Centre working to develop its own GPS: govt official

By Pehal News Team - December 22, 2022

**NEW DELHI** : The Central authorities is working on a brand new mission referred to as the time dissemination mission, which can make us to have our own GPS satellite tv for pc system in close to future, mentioned Rohit Kumar Singh, Secretary of the Department Of Consumer Affairs on Thursday.

This may also resolve the cybercrime points, Singh added whereas talking on the Public Affairs Forum of India's (PAFI) Dialogue.

He additionally introduced that the federal government will quickly come out with a brand new set of requirements for Artificial Intelligence (AI). The authorities is working with the US authorities to perceive extra elements in regards to the AI.

"Cabinet has accredited a invoice for decriminalisation which might be launched quickly, mentioned Singh.

He additional spoke about how the division of client affairs handles numerous points like value stabilization and different administrative and big infrastructure points.

“The division is discovering the foundation trigger and points associated to client affairs to deal with them”, he added. The Secretary continued that the economic system will solely develop if the companies are aggressive.

The Department of Consumer Affairs has issued a client helpline quantity. The service is receiving extra complaints from E-commerce shoppers, which has gone up to 48% from 8% over the last one yr.

“Anonymity between client and the service is the trigger for this elevated participation. The relationship between the patron and the service has gone due to the E-commerce providers, which makes the patron weaker”, said Singh and added this is where consumer affairs play a role in protecting the consumer.
