Rajeev Chandrasekhar, Minister of State for Skill Development and Entrepreneurship and Electronics & IT

The government's focus has been to push India from being an outlier to become a serious, competitive participant in the global value chains and a number of global players like **Apple**, **Samsung**, **Cisco** who are a dominant part of the global value chain are shifting to India, Rajeev Chandrasekhar, Minister of State for Skill Development and Entrepreneurship and Electronics & IT, said on Thursday.

“As part of PM Narendra Modi ji’s India Techade vision, we believe that the supply chains and global value chains have to and will continue to diversify and our
