Thursday, October 26, 2023

1000 - 1100 Hrs

Panel

Aniket Doegar
CEO and co-founder
HESPL (Haqdarshak Empowerment Solutions Private Limited)

Aniket Doegar (he/him) is the CEO and co-founder of HESPL (Haqdarshak Empowerment Solutions Private Limited), a social impact organization working on easing access to welfare. An alumnus of SRCC, Delhi, Aniket first started out in the development sector as a TFI (Teach for India) Fellow. Over the course of the last 14 years, he has co-founded various other organizations in this space. Recently, he was also an Acumen and Unreasonable fellow. In 2019 he was recognised under Forbes 30 under 30 Asia cohort and in 2022 as the Schwab and WEF Social Entrepreneur of the year. He is also a Unreasonable and Schmidt Futures Innovation fellow. Aniket was also on the advisory board of Teach for India and is currently a board member at the YP Foundation.

Haqdarshak uses a mobile app and field force of 40,000+ trained women agents to help citizens discover, apply for, and benefit from Government and Private schemes / benefits. They've helped 4 million+ families and micro businesses get USD 1B.+ in benefits, while the women entrepreneurs earned USD 3M+. By 2030, Haqdarshak's goal is to reach 100M families with social security and financial inclusion services through its flagship Yojana Card product.
