

Public Affairs Forum of India

## **Session 2 - Securing India's Road to Growth**

**Thursday, October 26, 2023**

**1105 - 1155 Hrs**

### **Panel**

**Vaishali Chopra**  
**Head - Public Affairs and Communications**  
**Yara International, India**

A passionate Public policy and communications person with close to two decades of experience across agribusiness industries including Bayer, Monsanto Rabobank and UPL with a focus on Stakeholder engagement across the ecosystem.

Keen interest in understanding sustainability objectives across agricultural supply chains (farmers, processors, retailers, and input suppliers) and ways of processing and interpreting data to help navigate the complexities of farming systems. Overarching aim being, productive farming could deliver positive environmental outcomes.

An agri graduate with MBA in agribusiness from GB Pant University with an executive certification in public policy from ISB.
